

Arlington Public Schools Vaccine Clinics

Fall & Winter 2026

Arlington Public Schools is partnering with **Star Market Pharmacy** again to host a series of vaccine clinics in most of our schools. All clinics are open to **everyone**, and you may attend **any** clinic regardless of where your student attends school.

General Information

- **Ages:** 3 and older.
- **Vaccines Available:** FLU, COVID (for ages 5 and over), MMR, Varicella, Hepatitis B, Meningococcal (A,C,Y&W135), Meningococcal B, Tetanus/Pertussis, Shingles, RSV, Pneumococcal, and Hepatitis A, depending on availability. Please indicate which vaccines you would like to receive when you sign up.
- **Sign up using this link:** [Fall 2026 APS Vaccine Clinics](#), or use the QR code below.
